

CASE STUDY

LAUNCH OF A LEADERSHIP ASSESSMENT PRODUCT THROUGH SUPPORTING MULTI-LINGUAL PRODUCT TRANSLATIONS

The Client is the world's leading Executive Search and a Global Organizational Consultant firm who has partnered with FORTUNE magazine to identify and rank the World's Most Admired Companies.

OBJECTIVE

Assisting the Launch of the Leadership assessment product through supporting Multi-lingual product translations for Europe, Asia, and South America.

SOLUTION

Vajraasys provided consulting services around Product Translations and ensuring the Leadership assessment product was translated as per the Third-Party Translations provider.

BUSINESS CHALLENGES

Due to the large nature of the product through various assessment features and capability drivers, it was exceedingly difficult to track multi-lingual translations. This combined with distributed teams made it difficult to deliver multiple product launches as part of sprint

OUTCOME

Vajraasys helped in providing Quality verification and validation services and through its consultants with experience in Product Translations and was able to deliver verification of each language translations and assist others with overall Quality assurance like Functional testing, Automation and Performance testing within the Sprint timelines and saved hundred of dollars for the client through placing experienced consultants that could work on different aspects of the engagement
